## Prevention Committee Minutes 09/16/05

**Present:** Tom DellaPorta, John Hardel, Bill Kress, Lynn Varricchio, Pat Zacharias. Due to an unexpected rainstorm and flooding, many people were unable to attend.

### **Review of Minutes:**

Pat noted that Jonathon's last name is Lang not Long. John motioned that the minutes be approved and Bill seconded the motion. The minutes were approved with that change noted.

### **Update on Mapping:**

Bill passed out a mapping tool that Bob Lebman had shared with him. He will meet with Michael and Charlie to review it on September 22. Their goal is to devise a mapping tool that will identify natural collaborations between agencies on the prevention front. It will be used to create a "Prevention Net" group which might help the agencies to get significant money from the CDC to set up a best practices for prevention model.

### **Youth & Testing:**

Lynn suggested that we consider doing an event to draw young people to get tested. John also suggested an event in the fall for the deaf.

**Next Meeting: Friday, October 21 at 2:00 PM at FLHSA.**
